President Richie called the meeting to order. LaTonya Rajah called the roll and noted a quorum was present.

Legislative and Regulatory Agenda

Georgi Banna gave a brief overview of the 2018 Legislative and Regulatory Agenda previously forwarded to the committee and asked for comments:

1. In Community Development Public-Private Partnerships for Affordable Housing, add bullet:

“• NAHRO acknowledges the importance of and supports improved access to the LIHTC to preserve Public Housing and to facilitate RAD transactions.”

2. In the Project-Based Rental Assistance section, NAHRO’s priorities add:

“Support PHAs as Performance-Based Contract Administrators.”

3. In Preserving Affordable Housing, added bullet:

“• Public and affordable housing offers many low-income children, families, and seniors stability; by aligning housing, education, and health organizations and systems long-term positive outcomes are produced.”

Action: Motion to approve Legislative and Regulatory Agenda with amendments moved by Diane Cohen, second by Rob Fredericks. Motion Carried.

2020 Summer and National Conference Site Selection

Jill Randles provided a brief overview of the 2020 Summer and National Conference discussion held by the Member Services Committee during their recent teleconference that reflects her recommendation and the Member Services Committee approval of sites brought before the Steering Committee.
