The 4 R’s of RAD: Repositioning, Residents, Relocation and Rehabilitation!

Track: Repositioning

Aligning with the theme, NAHRO Navigates, this session will focus on how PHAs can successfully navigate through the complex aspects of RAD. The panel will discuss the changes that HUD has instituted to make RAD more accessible to all PHAs, and will also describe how to communicate the benefits and navigate through the challenges of RAD. Panel members will include: HUD’s RAD Director to discuss how the program has evolved to work for more PHAs; and Executive Directors from small and large PHAs to share lessons learned as they successfully converted their public housing through RAD.
