

## **What Happens Next: Housing Beyond the Pandemic**

Track: Moving Forward

As public housing authorities (PHAs) and community development agencies (CDAs), NAHRO members are on the front lines of addressing our nation's affordable housing needs – now more than ever. With this in mind, NAHRO's What Happens Next: Housing Beyond the Pandemic proposal outlines several ways in which Congress, HUD, PHAs, CDAs and the housing industry can work together to meet local housing needs. NAHRO's Policy and Congressional staff will walk through the proposal and what the next steps are. Bring your questions!
