## COPY/CONTRACT REGULATIONS

Liability for the content of ads (text, representations, and illustrations) is assumed by advertisers and advertising agencies for any claims arising therefrom against the publisher. Rights of refusal of any advertising not in keeping with the Publisher's standard is reserved by the Publisher. Those ads that simulate editorial must be approved by the Publisher and must carry the word "Advertisement" at the top of each page or fractional ad. The publisher is not responsible for errors due to improper file preparation and additional charges may apply to prepare the ad for print reproduction.

## MATERIALS ACCEPTED

High-resolution PDF required. Advertisers may opt to include

other formats in the event that the PDF is not usable. We support the following software applications: Illustrator EPS (with type converted to outlines and with all linked files), Photoshop (saved as TIFF), InDesign.

## DISCOUNTS

- Advertising Agencies: 15% to recognized agencies on space, color, and position.
- BPC Member Discount: 10% to NAHRO BPC members provided that membership is current as of the invoice date. Discounts are given only on invoices paid within 30 days. In the event of non-payment, the publisher reserves the right to hold the advertiser and its agency jointly and severally liable for the ad payment.

## CANCELLATIONS

Cover and other special positions are non-cancelable. Cancellations must be made in writing before the space deadline published in the rate card. If a cancellation is received after the space deadline published in the rate card, and the advertiser has supplied no advertising materials, the advertiser will pay a cancellation fee of \$1,000.

## ARTWORK

- Images must be 300 dpi and all colors/images converted to CMYK.
- Total area density should not exceed SWOP density of 280 percent.
- Any intervention required to convert artwork files will result in additional charges to the advertiser.
- High-resolution images from

stock-photo disks should be converted to CMYK TIFFs and then placed directly into the document. Additional charges may result if non-linked low-resolution files are left in the document.

- Tints and color type in a four-color advertisement must be produced in a CMYK equivalent.
- If you have an EPS file for your ad, please supply it with your original application files in case the EPS file does not image correctly or a modification is necessary.

July/August 2021

Facebook Twitter LinkedIn

**Welcome to the July/August issue!**

We have stories about the basics of being a housing agency commissioner and features on several of NAHRO's 2020 Award of Excellence winners for administrative innovation. Learn how the Seattle Housing Authority is bridging the digital divide and Nampa Housing Authority is keeping residents fit, and much more!

Questions or feedback? Please [email us!](#)

650 X 75

**Bridging the Digital Divide in Seattle**

The Seattle Housing Authority (SHA) won a 2020 Award of Excellence for Administrative Innovation for launching a comprehensive Digital Initiative to increase the ease and efficiency of engaging with the agency and help close the digital divide for its low-income tenants.

LIBBY MILLER

**Learning About Affordable Housing in Santa Barbara**

Looking for a way to connect HACSB residents with affordable housing resources and encourage them to advocate for expanded housing opportunities for their own community, the agency held an inaugural Housing Santa Barbara Day on Oct. 13, 2018.

LIBBY MILLER

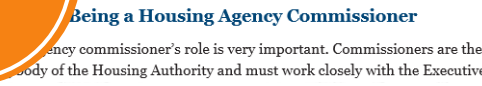

**Providing Scholarships for Success in Pharr**

The Housing Authority of the City of Pharr (HACP) won a 2020 Award of Excellence for Administrative Innovation for funding scholarships for graduating seniors using payment in lieu of taxes (PILOT) contributions.

LIBBY MILLER

650 X 75

**Being a Housing Agency Commissioner**

A housing agency commissioner's role is very important. Commissioners are the backbone of the Housing Authority and must work closely with the Executive

**650 x 75**

**Final Section 3 Rule Released**  
On September 29, HUD released its final Section 3 rule. The rule includes separate requirements for Public Housing projects and Section 3 projects that use other HUD assistance for housing rehabilitation, housing construction, or other public housing construction projects. All HUD funding for public housing are required to report on the rule, however, agencies with fewer than 250 units are only required to report to meet Section 3 requirements and are not required to report on whether specific Section 3 outcome benchmarks or not. Generally, any housing construction, or other public construction projects that uses other assistance that exceeds a \$200,000 threshold or any project that receives HUD's Lead Hazard Control and Healthy Homes programs, is required to report activities to HUD. Section 8 program activities are excluded from the rule.

**650 x 75**

**New Guidance for UPCS Inspectors Released**  
HUD recently issued Inspector Notice No. 2020-01, which provides guidance for UPCS inspectors who conduct physical inspections of HUD assisted and insured properties that are subject to Uniform Physical Condition Standards (UPCS) inspections. In March, HUD postponed physical inspection on all properties due to concerns relating to the coronavirus. During the period of postponement, HUD REAC developed heat maps based on COVID-19 public health data to determine locations that could resume physical inspections. Although
